

# Elements I'm Among

## Queen Latifah

Booty rappers posin' as gun clappers get bitch smacked  
Need to switch to bein' actors, image is all ya after  
Ho galacta in the lip, the clappers and the clips  
Will flip a flow like divine be turnin' tricks I'ma take mine wactha like when the beat come soft  
I leave darkness where there used to be your front teeth  
I'm heartless, when it comes to havin' the back of my partners  
Yeah, we artists but testin' us ain't the smartest You can huff, puff, but blow me down I doubt it kid  
Or get yo' ass whooped behind what ya mouth did  
You need more 'Hail Mary's' than a catholic  
Yo ass ain't slick I'll mess your shit quick I got connects, I get stuck like glue stand to the F you  
I had to make it so your parents forget you  
'Cause if I let you get over and then I pass you  
Think you can do it on a reg so I'ma wreck you Elements that I'm among, these none  
Fools be gettin' done, but over dumb reasons  
Y'all didn't know  
Elements that I'm among, these none  
Betta check it out before you become one Elements that I'm among, these none  
Fools be gettin' done, but over dumb reasons  
Y'all didn't know  
Elements that I'm among, these none  
Betta check it out before you become one Now you said no tricks in '86 it's time to build  
Now we gone be pushin' '96 and niggas still gotta kill  
Tryin' to keep it real but is it really real?  
If you could fly is it? Get between my legs  
You fuckin' kid, you'd be the man but hold ya head  
Because if a fifth was a fifth we all be drunk  
Nigga don't, put no yayo in my blunt I just, wanna bring the funk like a puma  
Yo wannabe niggas is fired or be the ill reputed  
You throw shade, I throw it too, more than you can chew  
I get back at you, lyrically hack at you I keep the facts here, I keep it real hell yeah  
I keep the facts there, don't make me hate you like a papsmear  
That's where, I get ticked, matter fact in the '96  
I'm also pistol grip pump on my lap at all times shit Niggas be on some black on black crime shit  
And I can't let it slide  
'Cause I'm terrified that I might be the next homicide  
The pound is on my side Elements that I'm among, these none  
Fools be gettin' done, but over dumb reasons  
Y'all didn't know  
Elements that I'm among, these none

Betta check it out before you become one  
Elements that I'm among, these none  
Fools be gettin' done, but over dumb reasons  
Y'all didn't know  
Elements that I'm among, these none  
Betta check it out before you become one  
Niggas be all in my face like government be in my check  
Every time I pick up the mic and begin to wreck  
But right now my job is more important than a nigga  
I'm in to peace, it's so tricky this ain't the way I figured  
An evident I wasn't raised that way  
We kicks a grip to stay that way  
And I'm tryin' to stay forever free like AZ  
Baskin' in the riches of this hip hop M U S I C  
Cause when the east is in the house  
Oh my God" is right  
I know girls that's givin' niggas fair fights  
So you damn right I'ma stick up for mine, like a queen at a bee  
And I'ma get my own rhythm without a G  
Hey, if ya kiddie come come, well ya need to run run  
Like a bee y'all get stomped, by my diggy dumps dumps  
All because of ya tounge  
And I'll be lampin' in the sun when the day is done  
Elements that I'm among, these none  
Fools be gettin' done, but over dumb reasons  
Y'all didn't know  
Elements that I'm among, these none  
Betta check it out before you become one  
Elements that I'm among, these none  
Fools be gettin' done, but over dumb reasons  
Y'all didn't know  
Elements that I'm among, these none  
Betta check it out before you become one
