

# One Horse Town

## Blackberry Smoke

In the tiny town where I come from  
You grew up doing what your daddy does  
And you don't ask questions you do it just because  
You don't climb to high or dream too much  
With a whole lot of work and a little bit of luck  
You can wind up right back where your daddy was This little bitty town it ain't nothing new  
We all stick around 'cause they all tell us too  
Swallow your pride just to make your family proud  
If I didn't think that it would shut the whole place down  
I'd ride my pony right out of this one horse town Yeah this one horse town  
I'm an old married man at the age of twenty three  
Got two little boys on the baseball team  
And that might be their only ticket out  
All they got is a worn out name  
And a daddy that could've gone all the way  
But I hung my saddle up and I settled down This little bitty town, oh it ain't nothing new  
We all stick around 'cause they all tell us too  
Swallow your pride just to make your family proud  
If I didn't think that it would shut the whole place down  
I'd ride my pony right out of this one horse town  
Yeah this one horse town  
Oh yeah This little bitty town, oh yeah it ain't nothing new  
We all stick around 'cause they all tell us too  
Swallow your pride just to keep your family proud  
If I didn't think that it would shut the whole thing down  
I'd saddle that one horse and ride it right out of this town
