Hundred Reasons

still always here
to meet you (why do relationships repeat)
drained all for me
disconnected (why do relationships repeat)
drown here in blame
that's rescued (why do relationships repeat)
so we all fallyour demons fooled us all
and that became your winterdraw you to stare
right at this (why do relationships repeat)
conformed to when
you changed it (why do relationships repeat)
and i try hard to make you feel
much better (why do relationships repeat)
so we all fallyour demons fooled us all
and that became your winter
cannot forget this
in breaking of a fall
you mispronounced your wording
cannot forget this
