Breakin' A Sweat

Skrillex

Right, this is the breakdown
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
I said it's alright
I'm breakin a sweat
It's alright
I'm breakin' a sweat
Come on baby, light my fire
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
I said it's alright
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
That's good
That's good
That's good
Come on baby light my fire
That's good
That's good
Let's kick ass
That's good
That's good

Come on baby light my fire
That's good
That's good
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
I said it's alright
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
Come on baby light my fire
I'm breakin' a sweat
It's alright

I'm breakin' a sweat
I said it's alright
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
Okay, play that beat again
That's good
That's good
Come on baby light my fire
That's good
That's good
