

Breakin' A Sweat

Skrillex

Right, this is the breakdown

I'm breakin' a sweat

It's alright

I'm breakin' a sweat

I said it's alright

I'm breakin a sweat

It's alright

I'm breakin' a sweat

Come on baby, light my fire

I'm breakin' a sweat

It's alright

I'm breakin' a sweat

I said it's alright

I'm breakin' a sweat

It's alright

I'm breakin' a sweat

That's good

That's good

That's good

Come on baby light my fire

That's good

That's good

Let's kick ass

That's good

That's good

Come on baby light my fire

That's good

That's good

I'm breakin' a sweat

It's alright

I'm breakin' a sweat

I said it's alright

I'm breakin' a sweat

It's alright

I'm breakin' a sweat

Come on baby light my fire

I'm breakin' a sweat

It's alright

I'm breakin' a sweat
I said it's alright
I'm breakin' a sweat
It's alright
I'm breakin' a sweat
Okay, play that beat again
That's good
That's good
Come on baby light my fire
That's good
That's good
