

Both Sides Now

Nitty Gritty Dirt Band

Rows and floes of angel hair
And ice cream castles in the air
And feather canyons ev'rywhere
I've looked at clouds that way
But now they only block the sun
They rain and snow on ev'ryone
So many things I would have done
But clouds got in my way[Chorus]
I've looked at clouds from both sides now
From up and down, and still somehow
It's cloud illusions I recall
I really don't know clouds at all
Moons and junes and ferris wheels
The dizzy dancing way you feel
As ev'ry fairy tale comes real
I've looked at love that way
But now it's just another show
You leave 'em laughing when you go
And if you care, don't let them know
Don't give yourself away[Chorus]
Tears and fears and feeling proud
To say "i love you" right out loud
Dreams and schemes and circus crowds
I've looked at life that way
But now old friends are acting strange
They shake their heads, they say I've changed
Well something's lost, but something's gained
In living ev'ry day[Chorus]
