

# Austin Powers

## Wondermints

Austin Powers, he's the man for you  
Come surrender, if you please  
And time unlocked this tasty freeze  
Take trips to spy by night  
In the groove yet outta sight  
Austin Powers, he's the man for you  
Love him only if you dare  
Danger is his nom de guerre  
In a jet or in a Jag  
In a pinch he's ready to shag  
Austin Powers, he's the man  
He's the man with the master plan  
For keeping Dr. Evil at bay  
Women want him, men will want to beat him  
In the snap of a flash, he's a gas, gas, gas  
London, Stockholm, Paris and Rome  
He'll swing right into your home  
Austin Powers, he's the man for you  
Austin Powers, he's the man for you  
Austin Powers, he's the man for you  
Austin Powers
