You Don't Have To Worry

Peter Frampton

It's been awhile
Though I think, I made you smile
I been singin' my song, thinkin' I was wrong
But now I knowYou know it takes so long
Though you're feelin' strong
Then you gave me a sign
Made me feel like going onI, I don't have to worry
You don't have to care
I don't have to worry
'Cause you will always be there, yeahThe years went by
As I played for you
Nobody cheered
As I walked on the stage with my dreamThank you, girl
Taking away
All of my fears
And all of the years that it takesBut I know you don't have to worry
And I don't have to care
You don't have to worry
You know, I will always be there, yeah, oohI, I don't have to worry
You don't have to care
I don't have to worry
You will always be there, yeahYou don't have to worry
And I don't have to care
'Cause you don't have to worry
We will always be thereAnd I don't have to worry
You don't, you don't have to care
I don't have to worry
You will always be thereOh, feeling good like I should, ooh
