

# Chase down the Bully

## Ice Cube

What the fuck is this shit?  
Baby, you see this shit?  
It's like some-it's like some walkin' dead mother fuckers  
(You will not replace us)  
(You will not replace us)  
(You will not replace us)  
Hand me that thang right there  
(You will not replace us)  
(You will not replace us)  
Stay ready (Stay ready, stay ready, stay ready)  
Here they come though  
Stay ready (Stay ready, stay ready, stay ready)  
Here they come though  
Stay ready (Stay ready, stay ready, stay ready)  
Here they come though  
Stay ready (Stay ready, stay ready, stay ready)  
Here they come though  
Stay ready (Stay ready, stay ready, stay ready) We gon' chase down the bully, hit his ass with the fullest  
Chase down the bully hit his ass with the fullest  
Then we gon' string his ass up by his nuts with the pulley  
String his ass up by his nuts with the pulley  
If you stay ready, you ain't got to get ready  
Blast like confetti, nigga, cut like a machete  
You just spent your fetti on a mother fuckin' Chevy  
I'm buyin' somethin' heavy, turn the ass into spaghetti  
From another planet, no, it's not the Serengeti  
More than an African, I am planetary  
Bitches think this commentary is military  
I kill you and I bury you with the steel that I carry  
Now, if he a fascist, I'ma bash his head in  
Cock it back, boy, and put the lead in  
All you evil forces wit'cha tiki torches  
Shove 'em up your ass, freaky intercoursess  
They try to lie, say I'm hearin' voices  
Apocalypse Now, rollin' with the horses  
Hit the alt right white with a fog light  
See that red sheet? Used to be all white Stay ready (Stay ready, stay ready, stay ready)  
Stay ready (Stay ready, stay ready, stay ready)  
Stay ready (Stay ready, stay ready, stay ready) We gon' chase down the bully, hit his ass with the fullest

Chase down the bully hit his ass with the fullest  
Then we gon' string his ass up by his nuts with the pulley  
String his ass up by his nuts with the pulley Fuck a Trump supported talkin' 'bout law and order  
But all you wanna do is go fuck up reporters  
Build a damn wall then fuck up the borders  
Hate to see a mother fuckin' nigga with a quarter  
Hate to see a nigga wit'cha ugly ass daughter  
They feed you bread and water, get you ready for the slaughter  
That's why your homeboy just went out and bought her  
AR-15, I can make the bitch sing  
Ain't no nigga shit, it's some bigger shit  
Who can give a shit about white privilege?  
Throw your hands up  
Pull your pants up  
You can't fight in that tight shit, man up  
Nigga, stand up  
Have you forgotten? Have you pickin' cotton, better get the socket  
And if you think Ice Cube give a shit  
about they statues cover them in pigeon shit We gon' chase down the bully, hit his ass with the fullest  
Chase down the bully hit his ass with the fullest  
Then we gon' string his ass up by his nuts with the pulley  
String his ass up by his nuts with the pulley On my way home, talkin' on my iPhone  
Mother fuckers tried to kill me a fuckin' drone  
They think I'm Al Capone with a natural comb  
You just a clone of the original chromosome  
Me, I'm just a student of the Terradome  
You, You just recruitin' for the skull and bones  
Me, I do karate on Illuminati  
You can view the body  
I'm at a pool party Hah, yeah  
I know you internet hoes been suckin' on a lot of shit  
But don't worry 'bout me, cuz ain't part of they club We gon' chase down the bully, hit his ass with the fullest  
Chase down the bully hit his ass with the fullest  
Then we gon' string his ass up by his nuts with the pulley  
String his ass up by his nuts with the pulley Stay ready (Stay ready, stay ready, stay ready)  
Stay ready (Stay ready, stay ready, stay ready)  
Stay ready (Stay ready, stay ready, stay ready) Stay ready (Stay ready, stay ready, stay ready)
