

# Neighbors (Live from the 40 Watt)

## Gnarls Barkley

Now my neighbor likes where I stay  
But doesn't, know, the price that I pay  
My neighbor! My neighbor! My neighbor!  
Wants what he sees  
My neighbor! My neighbor! My neighbor!  
Thinks he wants to be me  
But he'll never be From out my window, seems just fine  
But in his mind, again his world is far from kind  
So I invited him over, could this make a new friend  
But once I got to know ya, wish I never let you in Now my neighbor likes my clothes  
But hadn't seen me with my scars exposed  
My neighbor! My neighbor! My neighbor!  
Oh dissatisfied  
My neighbor! My neighbor's, behavior  
Is unjustified  
I'm sick and tired I don't know, if he lives all alone  
But if you're scared of the darkness best leave the lights on  
I had a talk with my neighbor  
Say it simple and plain  
I guess, he understood me  
He never came back again
