Like Nothing Ever Happened

Sylvia

We meet on the street.
You introduce her to me and my heart sinks inside
as I say to her " It's nice to meet you".
You call me an old friend.
Guess that's the way you look at it.
Just like nothing ever happened.

Just like nothing ever happened between you and me.
You forget easily.
Like nothing ever happened.
There's no look in your eyes, no feeling to hide.
Here I am falling apart, forcing a smile.
While there you are acting like nothing ever happened.

I think about the times I lay by your side.
You held me in your arms.
You said to me I'll always love you.
Now here we stand her hand in your hand.
Just like nothing ever happened.

Like nothing ever happened between you and me.
You forget easily.
Like nothing ever happened.
There's no look in your eyes no feelings to hide.
Here I am falling apart forcing a smile.
While there you are acting like nothing ever happened.

Here I am falling apart forcing a smile,
while there you are walking away
like nothing ever happened.
