

Give Peace A Chance (DJ Dan Vocal Mix)

Yoko Ono

All we are saying is give peace a chance
All we are saying is give peace a chance
All we are saying is give peace a chanceEverybody's talking about
Bagism, Shagism, Dragism
Madism, Ragism, Tagism
This-ism, that-ism, is-m, I don't knowAll we are saying is give peace a chance
All we are saying is give peace a chanceYeah, c'mon, everybody's talking about
Ministers, sinisters, banisters, canisters
Bishops and fishops and rabbis and popeyes
And bye-bye, bye-bye, bye-byeAll we are saying is give peace a chance
All we are saying is give peace a chanceLet me tell you now, everybody talking about
Revolution, evolution, masturbation, flagellation
Regulation, integrations, meditations
United Nations, congratulationsAll we are saying is give peace a chance
All we are saying is give peace a chanceFights for peace, yes, peace that's we need
Two men who died, too much more to feed
Total peace for the good of the kids
Why punish them for what they never did?Forget the past and Lord shall forgive
Everything on earth has his own right to live
Whether you unlock and whether you await
Stop this and let us uniteAll we are saying is give peace a chance
All we are saying is give peace a chance
All we are saying is give peace a chance
