

# How Deep Is Your Love

[Ginuwine](#)

How deep is your love girl, let's get serious  
How deep is your love girl, I'm so curious  
How deep is your love girl, can I fall in it?  
How deep is your love, can I get close to it? We've kicked it for a little while you know  
I think it's time for us to start to move ahead  
We both been patient and that's cool and all  
But I'm in need and you don't seem to even care We've been in slow mo, never swung an episode  
So what's the man to do, stay or go cheat on you?  
Tell me baby, what are you so scared of?  
I'll be real gentle when I'm making love to you How deep is your love girl, let's get serious  
How deep is your love girl, I'm so curious  
How deep is your love girl, can I fall in it?  
How deep is your love, can I get close to it? There ain't a thing you can't get from me  
Whether it's ice, money, come what may  
I did everything that you asked of me  
You must simply, do not feel the same way How longer do you need?  
Can't you easily see that I'm the one for you, tell me what should I do?  
Whoever hurt you made it rough for me  
But you are you, I am me, he was he How deep is your love girl, let's get serious  
How deep is your love girl, I'm so curious  
How deep is your love girl, can I fall in it?  
How deep is your love, can I get close to it? This love can't go unspoken  
You got me wishing, hoping  
You must let your judge out  
We've been through it all before now This time we make that move now  
Someplace, somewhere and somehow  
Let's not play, not your games  
Don't live, die, don't live die, we're too grown How deep is your love girl, let's get serious  
How deep is your love girl, I'm so curious  
How deep is your love girl, can I fall in it?  
How deep is your love, can I get close to it? How deep is your love girl, let's get serious  
How deep is your love girl, I'm so curious  
How deep is your love girl, can I fall in it?  
How deep is your love, can I get close to it? How deep is your love girl, let's get serious  
How deep is your love girl, I'm so curious  
How deep is your love girl, can I fall in it?  
How deep is your love, can I get close to it?
