Hurricane (OST NFS Carbon)

Kyuss

I feel nothing,
Said I don't feel nothing,
And I won't feel nothing at all.
I felt something,
Said I really felt something
And I won't take nothing at all. Hurry up, hurry up, now something
Our life has blown me away.
I can't breathe, said I can't breathe nothing,
And I won't/can't fucking breathe at all.
