

# She Talks To Angels

## The Black Crowes

She never mentions the word addiction

In certain company.

Yes, she'll tell you she's an orphan

After you meet her family.

She paints her eyes as black as night now.

Pulls those shades down tight.

Yeah, she gives me a smile when the pain comes.

The pain gonna make everything alright.

Says she talks to angels.

They call her out by her name.

Oh yeah, she talks to angels.

Says they call her out by her name.

She keeps a lock of hair in her pocket.

She wears a cross around her neck.

Yes the hair is from a little boy,

And the cross from someone she has not met, well, not yet

Says she talks to angels.

Says they all know her name.

Oh yeah, she talks to angels.

Says they call her out by her name.

She don't know no lover,

None that I ever seen.

Yeah, to her that ain't nothing

But to me it means, means everything.

She paints her eyes as black as night now.

Pulls those shades down tight.

Oh yeah there's a smile when the pain comes.

Pain's gonna make everything alright, alright yeah

Says she talks to angels.

Says they call her out by her name.

Oh yeah, angels

Call her out by her name

Oh angel,

They call her out by her name  
Oh she talks to angels,  
They call her out, yeah yeah  
Call her out,Â  
Don't you know that they call her out by her name
