If it wasn't for you

Various Cruelties

All that's lost was not in vain,
burning like a memory what's left inside of me.
sometimes you want to change,
the chapters of our history, but we cant go back.

CHORUS
If it wasn't for you, don't know what I'd do.
I'd have nothing to prove, I've got nothing to lose
I'd be all lost at sea, with no reason to make it through.
If it wasn't for you.

oooh

I can you feel you on the wind,
running through the universe, and across my mind.
Time to claim a victory.
Its down to us to lift the curse, bring it back to earth.

CHORUS
If it wasn't for you, don't know what I'd do.
I'd have nothing to prove, I've got nothing to lose
I'd be all lost at sea, with no reason to make it through.
If it wasn't for you.

If it wasn't for you, don't know what I'd do.
I'd have nothing to prove, I've got nothing to lose
I'd be all lost at sea, with no reason to make it through.
If it wasn't for you.
