

# Cloud Connected

## In Flames

People like you  
You live in a dream world  
You despise the outside  
And you fear the next one  
It's in your dream  
There's just one question  
Should I kill  
Or should I be left behind?  
Sick and tired  
Of all your complaints  
This is the hour  
We bring it down  
I've come to realize  
With every little glimpse you fade  
I was told that I could fly  
When least expected, cloud connected  
You seem to be  
So introverted  
How come we fail  
With all that is given  
You crossed the line  
You remember my name  
Time runs backwards  
As we're heading that way  
I've come to realize  
With every little glimpse you fade  
I was told that I could fly  
When least expected, cloud connected  
Why don't you realize  
With every little glimpse you fade  
I was told that I could fly  
When least expected, cloud connected
