

# Wavy

Cameron J

Ooooh x2

Wavy... x2

I knew you was the shit  
So why did I do it? Why do I do it?  
I'm caught up in all of this  
Now I can't shake it  
Now I can't move and I can't get you out my mind  
can't say goodbye to her  
I try and I try and I just want to feel alive  
So I'm going out tonight

Baby I can let you go.. (Let you go)  
If I can get drunk enough .. (Ooh..)  
Bought me another one.. ( bought me another one )  
Cuz I just wanna forget this love  
Bartender fill my cup!

I can't believe that I still fuck with yo  
Love so blind got my mind ain't got to lose  
Got me feeling dumb I'm lowkey stupid feeling crazy  
Need a little drink need to feel a little wavy

Wavy, wavy, wavy,  
Wavy, wavy, wavy,  
Need a little drink I need to feel a little wavy

(Yeah x3)  
This the part where you call me back  
And I'm dumb and I take you back  
Know I said I'll never fall into your trap  
And I think about the times when you make me laugh  
This is serious  
Cuz' I'm in love with you  
And I know that there's no future  
Know there's no future for us

Baby I can let you go.. (Let you go)  
If I can get drunk enough .. (Ooh..)  
Bought me another one.. ( b-b-bought me another one )

Cuz I just wanna forget this love  
Bartender fill my cup!

I can't believe that I still fuck with yo  
Love so blind got my mind ???  
Got me feeling dumb I'm lowkey stupid, feeling crazy  
Need a little drink I need to feel a little wavy

Wavy (wavyyy)  
Wavy (ohh uh)  
Wavy (Oooo)  
Wavy, wavy, wavy  
Need a little drink I need to feel a little wavy

And I will go to war  
Cuz' I want to be yours  
Know I said this all before  
You don't treat me right  
If I told you once, then I told you twice  
If I let you slide then it hurts inside

Cuz I'm feeling like I'm living a lie  
Pretending that everything's alright  
Oooh

I can't believe that I still fuck with you (Oh!).  
Love so blind got my mind ???(Ohhh)  
Got me feeling dumb I'm lowkey stupid feeling crazy (crazy)  
Need a little drink I need to feel a little wavy

Wavy (oh!)  
wavy (ooohh!)  
Wavy (uuh ooh! )  
Wavy, wavy, wavy,  
Need a little drink I need to feel a little wavy
