This Is Love

Rita Pam

[Verse 1]
You're telling me this, you're telling me that
But I just want you coming through
Don't let me go to the lions
Don't let them have my pound of flesh
Like piano keys, you're playing me
At will, playing up and down
Give me a clear idea
What's my fate, God?
You don't know one thing about it
You have no idea about it
You see this composure
I'm crying tears inside

[Chorus]
This is love
That you stab me, hurt me, wound me, drag me
Am I bleeding enough for you?
Am I bleeding enough for you?
This is love
That you ignore me, leave me, shame me, fool me
Am I bleeding enough for you?
Am I bleeding enough for you?
This is love
That you stab me, hurt me, wound me, drag me
Am I bleeding enough for you?
Am I bleeding enough for you?

Give me fervour, give me sunshine
Let me laugh again

Hold my hand, don't let me go
Oh darling, my darling

No tears left to cry
No blood left to bleed
No thoughts left to think
Empty as space, I've tried my best
I'm leaving it at your feet
Goodnight

I'm leaving it at your feet
Goodnight
I'm leaving it at your feet
I've tried my best, I've tried my best
Am I bleeding enough for you?
I've tried my best
Am I bleeding enough for you?
I've tried my best
Am I bleeding enough for you?
I've tried my best, I've tried my best
I've tried my best
