

I Can't Wait

Superdrag

wee gotta get outta here
wee gotta get outta here
i so tired of this year
take everything that you can
take everything that you can
you wanna hold out you can.
it just the waiting that I can stand.yeah I know
it just a year I know I knowI hope you let it all down.
I hope you let it all down
when no one else is around.
don know what else I can do
don know what else I can do
i so lost without you
it just the wanting.
il make it throughyeah I know
it just a year I know.but I can wait
I can wait
I can wait.
oh nonever wait
I know I know
yeah I know
it just a year
I know
but I can wait
I can wait
I can wait
oh nonever wait.
I know I know
