Take Me Back To Heaven

Dj Sammy

Heaven 911
It's been a year daddy, I really, really miss you
Theres a little place called heaven
We had your favorite dinner tonight
I ate it all up, even though I don't like carrots
I learned how to swim this summer
I can even open my eyes under water, can you see me?
I started kindergarten this year
Carry a picture of us in my blues clues lunch box
You are the best daddy, I can swing by myself
Even though I miss you pushing me
Can you see me? I miss how you used to tickle me
Tickle my belly, my belly hurts
I try not to cry mommy said it's okay
I know you don't like it when I cry
You never wanted me to be sad
I try daddy but it hurts maybe someday
I can visit you in heaven, okay
It's time for me to go to bed now
I sleep with the light on just in case
You come home and kiss me goodnight, I love you daddy
