

# Just Give Me A Reason

Pink

Right from the start  
You were a thief  
You stole my heart  
And I your willing victim  
I let you see the parts of me  
That weren't all that pretty  
And with every touch you fixed them Now you've been talking in your sleep, oh, oh  
Things you never say to me, oh, oh  
Tell me that you've had enough  
Of our love, our love Just give me a reason  
Just a little bit's enough  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
We're not broken just bent  
And we can learn to love again I'm sorry I don't understand  
Where all of this is coming from  
I thought that we were fine  
(Oh, we had everything)  
Your head is running wild again  
My dear we still have everythin'  
And it's all in your mind  
(Yeah, but this is happenin') You've been havin' real bad dreams, oh, oh  
You used to lie so close to me, oh, oh  
There's nothing more than empty sheets  
Between our love, our love  
Oh, our love, our love Just give me a reason  
Just a little bit's enough  
Just a second we're not broken just bent  
And we can learn to love again  
I never stopped  
You're still written in the scars on my heart  
You're not broken just bent  
And we can learn to love again Oh, tear ducts can rust  
I'll fix it for us  
We're collecting dust  
But our love's enough  
You're holding it in

You're pouring a drink  
No nothing is as bad as it seems  
We'll come clean Just give me a reason  
Just a little bit's enough  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
That we're not broken just bent  
And we can learn to love again Just give me a reason  
Just a little bit's enough  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
That we're not broken just bent  
And we can learn to love again Oh, we can learn to love again  
Oh, we can learn to love again  
Oh, oh, that we're not broken just bent  
And we can learn to love again
