

Sunshowers (Diplo Mix)

M.I.A.

I bongo with my lingo
And beat it like a wing, yo
To combo, to Colombo
Can't sterotype my thing, yoI salt and pepper my mango
Shoot spit out the window
Bingo, got him in the thing, yo
Now what? I'm doin' my thing, yo!Quit bending all my fingo
Quit beating me like you're Ringo
You wanna go?
You wanna win a war?
Like PLO, I don't surrendo!
The sunshowers that fall on my troubles
Are over you, my baby
And sunshowers, I'll be aiming at you
'Cause I'm watching you, my babyI bongo with my lingo
And beat it like a wing, yo
To combo, to Colombo
Can't sterotype my thing, yoI checked that mouth on him
Fucking checked my gas on him
I had him, cornered him
Fucking shut that gate on himWhy would you listen to him?
He had his way, I'm bored of him
I'm tired of him
I don't wanna be as bad as him
It's a bomb, yo
So run, yo
Put away your stupid gun, yo
'Cause see though like protocol
Which is why we blow it up 'for we goThe sunshowers that fall on my troubles
Are over you, my baby
And sunshowers, I'll be aiming at you
'Cause I'm watching you, my babySemi-9 and snipered him
On that wall they posted him
They cornered him
And then just murdered himHe told them he didn't know them
He wasn't there, they didn't know him
They showed him a picture then
"Ain't that you with the Muslims?"He got Colgate on his teeth
And Reebok Classics on his feet

At a factory he does Nike
And then he helps the family Beat heartbeat
He's made it to the Newsweek
Sweetheart seen it
He's doing it for the peeps' peace The sunshowers that fall on my troubles
Are over you, my baby
And sunshowers, I'll be aiming at you
'Cause I'm watching you, my baby
