I walked in,
You walked out.
He walked in,
I saw you,
And I walked out.
He walked in,
I walked out,
And I walked out.
He walked in,
I saw you,
And I walked out.
He walked in,
I walked in,
And I walked out.
He walked in,
I saw you,
And I walked out.
He walked in,
And I walked out.
He walked in.

Is that as much as he wants from me;
As little as it takes.

Is that as much as he wants for me;
As much as it takes.

Is that as little as he wants from me;
As little as it takes.

Is that as little as he wants for me;
As much as it takes.

He walked in,
I walked in,
And you walked out.

He walked in,
I saw you,
And I walked out.

He walked in,
And I walked out.

He walked in,
And I walked!

Is that as much as he wants from me;

As little as it takes.
Is that as much as he wants for me;
As much as it takes.
Is that as little as he wants from me;
As little as it takes.
Is that as little as he wants for me;
As much as it takes.
