

Na Na Na (the Summer Song)

Ross Lynch

Summer love hangin' in the air
Hot sand on my feet but I don't care
It's all I ever wanted, I hope it never ends

So good to get away
All day in the car but that's okay
'Cause I like, like, like it like that
Just chillin' with my friends
'Cause I (I) know (know)
A summer time vacation song
And you (you) know (know)
Where ever we go you'll be singin' along

Like na, na, na

Na, na, na

Na, na, na

Na, na, na

Road trippin' with my friends
And where ever we go, the song never ends

And turn up the radio
Drop the top and drive
Not gonna get a minute of sleep
I'll be owin' through the boardwalk
Movin' my feet, yeah
So come along with me

Let's have a crazy time
'Cause I (I) know (know)
A summer time vacation song
And you (you) know (know)
Where ever we go you'll be singin' along

Like na, na, na

Na, na, na

Na, na, na

Na, na, na

It's such a crazy journey
But I'm not in any hurry
I'm takin' my time
It's all I ever wanted
To not know where we're goin'
Enjoyin' the ride

Yeah, yeah
?Cause I (I) know (know)
A summer time vacation song
And you (you) know (know)
Where ever we go you?ll be singin? along
Like na, na, na
Na, na, na
Na, na, na
Na, na, na
