

Free And Easy (Down The Road I Go)

[Dierks Bentley](#)

Pair of boots and a sack of clothes
Free and easy down the road I go
Hangin' memories on the high line poles
Free and easy down the road I go
Free and easy down the road I go Ragweed's rockin' on the radio
Free and easy down the road I go
So I keep rollin' like an old banjo
Free and easy down the road I go Got the sun shinin' on me like a big spotlight
So I know everything is gonna be alright Ain't no tellin' where the wind might blow
Free and easy down the road I go
Livin' life like a Sunday stroll
Free and easy down the road I go
Free and easy down the road I go If you only get to go around one time
I'm gonna sit back and try to enjoy the ride I could make a million or wind up broke
Free and easy down the road I go
Can't take it with you when you go
So free and easy down the road I go Someday I know it's gonna take me home
So free and easy down the road I go
Free and easy down the road I go, yeah
