Celebrate

Yung Simmie

[Intro:]
Let's celebrate
Yung Simmie[Chorus 1:]
Haters gone hate
Let's celebrate
There's food on ma plate
Let's celebrate
All my niggas in the building
Let's celebrate
Haters gone hate
But we celebrate
Bad bitches on us
Let's celebrate
Why you hating on us
We gone celebrate
Got the pedal to the metal
Accelerate
Bad bitch on my side
Let's celebrate
[Verse 1:]
Bad bitches on us
Let's celebrate
Eating good smoking better
Let's celebrate
Smoking by myself
Just me
Gotta meditate
Man I get so high
Criss Angel watch me levitate
Who callin my phone without money
I make em wait
Fucking yo bitch
Just came from a different state
Big blunts double cups
So you know I gotta celebrate
I was chillin with niggas
Getting money like yesterday
[Chorus 2:]
You hatin on me

I light up and celebrate
You waitin on me
I take off
Accelerate
Yo bitch callin me
But fuck it I make her wait
I've been on the ground
But fuck it let's celebrate[Chorus 1][Verse 2:]
Got money in my hand
While I celebrate
And you gotta understand
I'm the man while I celebrate
All these bitches see a nigga
Wanna kiss me wanna touch my face
In the club turning up
And I'm pourin out a whole 8th
Talk shit but it's all in yo mouth
Like Colgate
Grindin all night
I've been workin' all damn day
Got an S on my chest
Cause I smoke all damn day
And you know I get the cheque
Hit the mall then I celebrate[Chorus 2][Chorus 1]
