Crazy Nights

Therion

You come to see the show
Well, we're gonna rock and roll you
Come and get on your seat
We're gonna make you feel alright
Hey, you wanna go crazy tonight
Let me hear you shout and screamYou make me mad and wild
Well, we're gonna rock and pile you
We're gonna do our best
The beat kicks you in the head, alright
Yeah, it's gonna get crazy tonight
Let me hear you all go wildRock 'n' roll crazy nights
You are the heroes tonight
Rock 'n' roll crazy nights
You are the heroCrazy nights, crazy nights
Crazy nights, crazy nightsYou come to see the show
Well, we're gonna rock and shock you
Come on, get on your feet
The sound hits you in the face, alright
Ooh, let's get so crazy tonight
Let me hear you rock 'n' rollRock 'n' roll crazy nights
You are the heroes tonight
Rock 'n' roll crazy nights
You are the heroRock 'n' roll crazy nights
You are the heroes tonight
Rock 'n' roll crazy nights
You are the heroCrazy nights, crazy nights
Crazy nights, crazy nights
Crazy nights, crazy nights
Crazy nights, crazy nights
