# Top Of The World

## Lynn Anderson

Such a feelin's coming over me
There is wonder in most everything I see
Not a cloud in the sky, got the sun in my eye
And I won't be surprised if it's a dreamEverything I want the world to be
Is now comin' true, especially for me
And the reason is clear, it's because you are here
You're the nearest thing to heaven that I have seenI'm on the top of the world, lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the worldSomething in the wind has learned my name
And it's tellin' me that things are not the same
In the leaves, on the trees and the touch of the breeze
There's a pleasin' sense of happiness for meThere is only one wish on my mind
When this day is through, I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are hereI'm on the top of the world, lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the worldI'm on the top of the world, lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world
