

# Top Of The World

Lynn Anderson

Such a feelin's coming over me  
There is wonder in most everything I see  
Not a cloud in the sky, got the sun in my eye  
And I won't be surprised if it's a dream Everything I want the world to be  
Is now comin' true, especially for me  
And the reason is clear, it's because you are here  
You're the nearest thing to heaven that I have seen I'm on the top of the world, lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world Something in the wind has learned my name  
And it's tellin' me that things are not the same  
In the leaves, on the trees and the touch of the breeze  
There's a pleasin' sense of happiness for me There is only one wish on my mind  
When this day is through, I hope that I will find  
That tomorrow will be just the same for you and me  
All I need will be mine if you are here I'm on the top of the world, lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world I'm on the top of the world, lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world
