Give It All Back

The Pierces

You can't fight to make it better
You can't cry and hope that this won't end
Some say love, it is forever
But all I know is that we're just friendsSo I'll give it all back
I'll give it all back to you
I'll give it all back
I'll give it all back to youYeahNow you know me like no other
And you know when I'm telling lies
So you believe if you wanna
But you know I, I wanna say goodbyeSo I'll give it all back
I'll give it all back to you
I'll give it all back
I'll give it all back to youYou can't fight to make it better
You can't cry and hope that this won't end
Some say love, it is forever
But all I know is that we're just friendsSo I'll give it all back
I'll give it all back to you
I'll give it all back
I'll give it all back to youYeahSo, I'll give it all back, I'll give it all back
