

# Give It All Back

## The Pierces

You can't fight to make it better  
You can't cry and hope that this won't end  
Some say love, it is forever  
But all I know is that we're just friends So I'll give it all back  
I'll give it all back to you  
I'll give it all back  
I'll give it all back to you Yeah Now you know me like no other  
And you know when I'm telling lies  
So you believe if you wanna  
But you know I, I wanna say goodbye So I'll give it all back  
I'll give it all back to you  
I'll give it all back  
I'll give it all back to you You can't fight to make it better  
You can't cry and hope that this won't end  
Some say love, it is forever  
But all I know is that we're just friends So I'll give it all back  
I'll give it all back to you  
I'll give it all back  
I'll give it all back to you Yeah So, I'll give it all back, I'll give it all back
