

# House (feat. Nick Nikon)

## OVERWERK

Take a trip to my house,  
Nothing's what it seems,  
My life is like a roller coaster, trapped inside a dream, Come over to my place,  
See how we be getting down,  
It's a twisted castle, but inside I wear the crown, (8x)  
Take a trip to my house, my house, my house Take trip to my.
