

Blue Autumn

Bobby Goldsboro

Blue autumn
Falling leaves of red and gold
Pretty colors, I am told
But I see only shades of blue
Because I'm losing youBlue Autumn
There's a rainbow in the sky
But no matter how I try
I still see only shades of blue
Because I'm losing youSuch pretty colors I am told
There for all to see
But falling leaves of red and gold
Have autumn blue to meBlue Autumn
A love like yours, I'll never know
Other girls may come and go
But I'll see only shades of you
And all my autumns will be blueBlue autumn
A love like yours, I'll never know
Other girls may come and go
But I'll see only shades of you
And all my autumns will be blue
