I'm Gonna Praise You

Geron Davis

I'm gonna praise You with everything in me
I'm gonna lift You high for all the world to see (Lord)
I'm gonna worship in every way that I can
And when I've done it all
I'll (just0 do it all again

All of me
I give to You
All of me
The least that I can do

Hear me Lord
I give You my everything
From my heart
A worship offering
My song, my life
I lay before you now

W/ everything
(Lord)
I will make this vow
