Ever Fallen in Love

Buzzcocks

You spurn my natural emotions
You make me feel like dirt and I'm hurt
And if I start a commotion
I run the risk of losing you and that's worseEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love withI can't see much of a future
Unless we find out what's to blame, what a shame
And we won't be together much longer
Unless we realize that we are the sameEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love withYou disturb my natural emotions
You make me feel like dirt and I'm hurt
And if I start a commotion
I'll only end up losing you and that's worseEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love withEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love withEver fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love withFallen in love with
Ever fallen in love with someone
You shouldn't have fallen in love with
