## BjÅ³rk

All these accidents that happen  
Follow the dot  
Coincidence makes sense  
Only with you  
You don't have to speak  
I feelEmotional landscapes  
They puzzle me  
Then the riddle gets solved  
And you push me up to thisState of emergency  
How beautiful to be  
State of emergency  
Is where I want to beAll that no one sees  
You see what's inside of me  
Every nerve that hurts  
You heal deep inside of me, ooh  
You don't have to speak  
I feelEmotional landscapes  
They puzzle me and confuse  
Then the riddle gets solved  
And you push me up to thisState of emergency  
How beautiful to be  
State of emergency  
Is where I want to be  
State of emergency  
How beautiful to beEmotional landscapes  
They puzzle me  
Then the riddle gets solved  
And you push me up to thisState of emergency  
How beautiful to be  
State of emergency  
Is where I want to beState of emergency  
How beautiful to be  
State of emergency  
State ofState of  
How beautiful  
Emergency  
Is where I want to beState of emergency  
How beautiful to be  
State of emergency

Is where I want to be  
State of emergency  
How beautiful to be
