Calvary's Song

Lordsong

(Verse 1)
Calvary's Story started in a garden with a choice by a woman and a man.
Where the whole human race found itself in need of grace.
And the story of Calvary began.(Verse 2)
Centuries later, Jesus in a garden,
prays to let go of His own will.
And the Father turns away on Crucifiction Day
as Calvary's Story reached a hill.(verse 3)
The story led to a tomb in a garden,
where one night the stone was rolled away,
And the long reign of Sin came to an end
with the light of Ressurection Day!(Chourse)
Calvary's Story is still be'in written;
It's a Story of sin, forgotten, forgiven!
Every time A soul is saved Heaven writes
another page,
the Cross and the nails maybe gone,
but Calavry's story goes on,
It goes on!
