

If You Wanna Stay

Keith Urban

Go if you wanna go, stay if you wanna stay
My heart's not a game you can play with and out away
Baby tryin' to figure you out, could make a man go insane
So just go if you wanna go, stay if you wanna stay Dream what you want to dream, be who you gotta be
I never wanna be the one who kept you from being free
But girl I gotta know what you want, 'cause I've takin' all I can take
So just go if you wanna go, stay if you wanna stay Every time you decide, to spread your wings and fly
You make the same mistake, and I can't take anymore goodbyes
So baby just go if you wanna go, stay if you wanna stay Every time you decide, to spread your wings and fly
You make the same mistake, and I can't take anymore goodbyes
So baby just go if you wanna go, stay if you wanna stay I don't wanna lose everything our love has made
But I don't wanna feel alone every time you go away
So just go if you wanna go, stay if you wanna stay Mmm, baby just go if you wanna go, stay if you wanna stay
