

# Be Your Own Best Friend

[Ray Stevens](#)

It'll sneak up on you one day  
and you'll finally realize  
there ain't no games for you to play  
and there's no place you can hide  
your up against the wall  
can't nobody hear you cry  
you gotta help yourself yourself  
or else you might as well  
lay down and die  
Make a move  
take a step  
it might hurt  
it might help  
it's your life  
your the boss  
you've already  
stood the loss

And a lifetime of pretending  
won't put humpty dumpty back again  
let the sad times in  
Reach way down  
find your soul  
take a look  
take control  
and really be who you are  
don't look back  
find your star  
And put your faith  
in the only one in whom you can depend  
let your life begin
