Cardiac Arrest (feat. Robyn)

Teddybears

Hey little sister suffragette
Baby barbie on barbiturates
Slepu heads gonna wake up dead
A trail of crumbs leading from your bedSo come on
And shake your bone maker
And shake your bone makerHey little princess you look a mess
All dressed up in your sunday best
Reagan rolled up her eyes and hissed
Mommy called on the exorcistSo come on
And shake your bone maker
And shake your bone makerCa-ca-cardicac arrest
Ca-ca-cardicac arrest
Ca-ca-cardicac arrest
Ca-ca-cardicac arrestCry wolf baby make a wish
Feed the hungry with a fish
Simmer down now what's with the stress
Honey you're not on the listSo come on
And shake your bone maker
And shake your bone makerCa-ca-cardicac arrest
Ca-ca-cardicac arrest
Ca-ca-cardicac arrest
Ca-ca-cardicac arrestHey little sister suffragette
Baby barbie on barbiturates
So come on
Hey little sister suffragette
Baby barbie on barbituratesCa-ca-cardicac arrest
Ca-ca-cardicac arrest
