Tornado

The Answer

I whisper in the wind
This journey reach its end
They said that you and I are the breakaways
Take me in your flowYou're my tornado
I can hear you howl as the day unfolds
You're my tornadoYou brought the house down
You do it everytimeLet me breath you in
You're changing everything
This strenght you hold inside it can never day
Intoxicate my soulYou're my tornado
I can hear you howl as the day unfolds
You're my tornadoSave me, leave me, break me down
For as long as I can go but never called the rebel in that
And I hope you don't freeze by the side of the road
Now I got no more needs in the back where you slope
I believe you can save me
I'll drag you down, you're the devil I knowThe rebel called tornadoYou're my tornado
I can hear you howl as the day unfolds
You're my tornado
