

# Mercy Mercy Me (The Ecology)

## Collection: Standing In The Shadows Of Motown (Del

Ooh, no, no, no, ooh

Oh mercy, mercy me  
Oh things ain't what they used to be, no, no  
Where did all the blue skies go?  
Poison is the wind that blows  
From the north and south and east and so

Oh mercy, mercy me  
Oh things ain't what they used to be, no, no  
Oil wasted on the ocean and above our seas  
Fish full of mercury

Oh mercy, mercy me  
Oh things ain't what they used to be  
Radiation under ground and in the sky  
Animals and birds are dying

No, no, no  
My, my, my, my, my, my, my, ooh

Oh mercy, mercy me  
Oh things ain't what they used to be  
What about this overcrowded land?  
How much more abuse from man can she stand?

No, no, no, no, no, no, no, no  
My, my, my, my, my, my, my, my  
My, my, my, my, my, my, my, my

Oh mercy, mercy me  
Where did all the blue skies go? No, no  
Radiation under ground and in the sky  
Animals and birds who live nearby are dying  
What about this overcrowded land?
