

Flashing Lights (feat. Alahin)

[Natalia Damini](#)

I'm looking for somebody that can make me touch the sky
make me touch the sky
make me touch the sky
and at the fall of night
the city's made of lights
shimmering neon lights
shimmering neon lights A little bit fun
Adrenaline rush
baby can you turn me on
A little bit funk
a little bit punk
I wanna go crazy (2x) We found love
You wanna flashing lights
I wanna flashing lights
you wanna We found love
You wanna flashing lights
I wanna flashing lights
C'mon Let's Go! Viva La Felicidad! (Chorus) Ay que rico eso! (Chorus) Viva La Fiesta! Lights
Lights
Lights
Lights... We found love
You wanna flashing lights
I wanna flashing lights
you wanna We found love
You wanna flashing lights
I wanna flashing lights
