

# Drawing Me Closer

## Point Of Grace

I'd be lost here inside myself  
I'd be nothing without You  
If Your ways didn't pull me in  
Like they do  
It's the hope I know, the grace You show  
That drawing me closer, drawing me closer  
It's the peace I feel, it's Your love so real  
That's drawing me closer  
And my heart beats with pure amazement  
Every time I feel the tender touch of Your love  
Drawing me closer  
Tell me how when You hold me near  
I can feel so free  
Where would I be if not for You  
Moving me  
It's the hope I know, the grace You show  
That drawing me closer, drawing me closer  
It's the peace I feel, it's Your love so real  
That's drawing me closer  
Your love  
I can hear Your voice, it's calling me  
To the shelter of Your arms  
It's the hope I know, the grace You show  
That drawing me closer, drawing me closer  
It's the peace I feel, it's Your love so real  
That's drawing me closer  
It's the hope I know, the grace You show  
That's drawing me closer  
It's the peace I feel, it's Your love so real  
That's drawing me closer  
It's the hope I know, the grace You show  
That drawing me closer, drawing me closer  
It's the peace I feel, it's Your love so real  
That's drawing me closer  
Your love  
Closer, Closer  
Hey, hey now drawing me closer  
Hey, hey now  
Everybody come and see

Hey, hey now, yeah  
Drawing me closer  
Hey, hey now
