Learning To Fly

Tom Petty

Well, I started out down a dirty road
Started out all alone
And the sun went down as I crossed the hill
And the town lit up, the world got stillI'm learning to fly but I ain't got wings
Coming down is the hardest thingWell, the good ol' days may not return
And the rocks might melt and the sea may burnI'm learning to fly but I ain't got wings
Coming down is the hardest thingWell, some say life will beat you down
Break your heart, steal your crown
So I've started out for God knows where
I guess I'll know when I get thereI'm learning to fly around the clouds
But what goes up must come downI'm learning to fly but I ain't got wings
Coming down is the hardest thing
I'm learning to fly around the clouds
But what goes up must come downI'm learning to fly
I'm learning to fly
