

Sooner Or Later (Acoustic Version)

Duncan James

Don't be scared of your shadow
You can't hide from your sorrow
You can't stay here till tomorrow
Welcome to the club of broken hearts
Where a thousand lonely souls have passed
Sooner or later you're gonna wake up and find what your looking for
Like a diamond washed up on the shore
In the meantime you're feeling like your lost without a friend
Sooner or later you're gonna love again
Sooner or later you're gonna love again
Love, has left you rejected
You, put up your defences
Now, your heart's been tried and tested
Now you join the land of broken dreams
No good wishing for what could've been
Sooner or later you're gonna wake up and find what your looking for
Like a diamond washed up on the shore
In the meantime you're feeling like you're lost without a friend
Sooner or later you're gonna love again
Sooner or later you're gonna love again
