Desert Love

Graeme Revell

I made up my mind, I am out of the door, I just can?t take this
I won?t stick around to be hurt anymore I don?t think I?ll make it
I m gonna drive past the end of the road, 0 to 60 and 5 and I am gone
I am looking back now it?s time to move on
But do I exist without you

Love you let me down, Love you shut me out
Now I m alone in the dark and the cold, feeling like I m stranded?stranded?stranded?stranded

I give and I give til my heart hits the floor, Am I addicted,
Unsure of right and uncertain of wrong always conflicted,
The tension is driving me out of my mind, my body is weak and my tears have not dried
My head wants to fight, but my heart just won?t try,
Can I exist without you

Love you let me down, Love you shut me out
Now I m alone in the dark and the cold, feeling like I m stranded?stranded?stranded?stranded

This is a sacrifice I am making, choosing to live without you
Don?t care about my pride, I am dying inside, I need you

Love you let me down, Love you shut me out
Now I m alone in the dark and the cold, feeling like I m stranded?stranded?stranded?stranded
