Your Own Drum

Sully Erna

You say that you're living in the shadows -
There's no shadows if you don't have light.
Your heartbeat's beating out the tempo.
Are you running out or running out of time?
Go find your own horizon and your own sun
And walk to the beat of your own drum.Don't let them tell you what's the right direction,
Don't you listen when they tell you that you're wrong.
The only thing you see in your reflection
Is the only one that matters when it's all said and done.And it's time you realize that you're holding tight
But love is sometimes letting go.
Now find your own horizon and your own sun
And march to the beat of your own drum.
Your own drumYou say that you're living in the shadows -
But there's no shadows if you don't have light.
And it's time you realize that you're holding tight
But love is sometimes letting go.
Now find your own horizon and your own sun
And run to the beat of your own drum.And it's time you realize that you're holding tight
But love is sometimes letting go.
Now find your own horizon and your own sun
And run to the beat of your own drum.And run to the beat of your own drumAnd run to the beat of your own drum
