## Mya

Intro)

yea yea yay

yea yea (kiss sound)

yea yea yay

yea yea yea

Verse1)

tell me do you see a sign written on my forehead  
saying I was born yesterday forget the baby face  
got 13 in the game no way I ain't having it  
darling it ain't all about a handbag trickin off fame  
watchin slippin tryna play me this ain't monopoly  
you won't collect the ah...and you can't pass all

Prechorus)

already know just what you thinkin when you see me  
uh uh no blench discourage that I don't need Got my own  
honey babe I ain't worried bout chu but hello to my money

Chorus)

own a company I keep down to every word I speak  
keep it sexy and simple keep it sexy and simple  
so if you wanna roll with me gotta keep it more than trouble free  
keep it sexy and simple keep it sexy and simple  
K.I.S.S. one hand on the hip keep it simple sexy and then we do a dip  
K.I.S.S. pucker up your lips keep it simple sexy and then we blow a kiss

Verse 2)

from the clothes i wear to how I rock my hair  
I think classy is more and and you know what ain't more is less less  
and frankly I don't care to do to much unlike some of these hooo..  
out here looking like frankenstein save it for halloween low self-esteem

beggin for attention ain't sexy no and ladies don't over do it cause your flyer  
just the way you are don't gotta act dumb and crazy invalidation F.O.H W.T

means ya surety a star

Prechorus)

already know just what you thinkin when you see me  
and gets of bets I'm more ya wanna be me money bucks you can  
have it if you really want to just keep it sexy and get that money

Chorus)

own a company I keep down to every word I speak  
keep it sexy and simple keep it sexy and simple

so if you wanna roll with me gotta keep it more than trouble free  
keep it sexy and simple keep it sexy and simple

Bridge)

Imma say it like this and I won't flinch up with bull sh\*t  
and they could just kiss these lips lips (what it taste like)  
independents only for the strong out the week if i stayed  
i'd dha only been cheating me i'm only putting on my plain lipstick  
it's gon be the last kit ...ahhhh(that your willing to see)

Chorus)

own a company I keep down to every word I speak  
keep it sexy and simple keep it sexy and simple  
so if you wanna roll with me gotta keep it more than trouble free  
keep it sexy and simple keep it sexy and simple  
K.I.S.S. one hand on the hip keep it simple sexy and then we do a dip  
K.I.S.S. pucker up your lips keep it simple sexy and then we blow a kiss  
K.I.S.S. one hand on the hip keep it simple sexy and then we do a dip  
K.I.S.S. pucker up your lips keep it simple sexy and then we blow a kiss
